Aquacera (The ready-to-install tileable washbasin)

- Bathroom pod vanity and washbasin system
- Factory-made for easy on-site installation
- Any length, freestanding or wall-to-wall
- Waterproofed and fully tested

The membrane-covered body is finished with the tile or natural stone of your choice; the drain system is fully concealed.

80 cm – unlimited
Size options

min. 70 cm

Unlimited
Up to any length

From 70 cm to any length in 5 cm increments, it installs wall to wall without cutting. Its flexible design lets several washbasins be joined side by side, creating a wall-to-wall washbasin of unlimited length.

Design and features

Product details

- Unlimited length from 80 cm
